

## Planting seeds of healing and hope.

Thank you to our incredible donors for making a difference in the lives of vulnerable individuals in our community — your generosity fuels hope and healing. If you're looking to create a lasting impact, join our community of supporters and help us reach even more hearts in need!

## Our Mission

Empowering vulnerable kids and adults to discover healing and hope through animal connections and mentoring.

## Memory Lane Farm

# Cultivating Hope Mentoring

**Building Trust,  
Inspiring Growth,  
Fostering Resilience**

We are passionate about providing vulnerable youth and adults with a safe, supportive environment to discover hope and healing.

Our program combines the therapeutic benefits of mentoring with the natural healing power of animals and farm life designed to:

- Build trust and resiliency skills
- Strengthen social and emotional development
- Cultivate confidence, compassion, and leadership
- Create meaningful connections with mentors and peers

Each session is tailored to meet the unique needs of the individual. Visit [memorylanefarm.org](http://memorylanefarm.org) to learn more.

## Summer Camps

**Discover, Learn & Grow**

At Memory Lane Farm, our summer camps are designed to provide kids with a one-of-a-kind experience that blends fun, learning, and personal growth. Through hands-on activities, farm adventures, and meaningful connections, campers explore the great outdoors while developing valuable life skills.

### Agri-Venture Farm Camp

This camp provides a faith-based, hands-on learning experience for 3rd-6th graders held in June.

### Acres of Fun Foster Care Camp

In partnership with local county Family Services, we strive to create safe and fun adventures for foster care kids.

Visit [memorylanefarm.org](http://memorylanefarm.org) for camp details.
